SEOUL AMERICAN HIGH SCHOOL

THE EDITORS' LAST GASP . . .

We are especially proud of this year's CHOSUN yearbook; many dedicated volunteers worked long hours to capture the 1986-87 school year for you. We would like to extend our special thanks to the following people:

Adrian Schlueter for making sure that everyone had something to do.

Philip Roh and Brian Nelson for taking most of the photographs in this book.

Lori Heath, Cindy Piper, Sue Hatfield, Sally Sloane, and Tammy Gardner for doing the "dirty work."

We would also like to acknowledge the participation of:

Mr. Hunziker for his expertise.

Chris Mooney, Mike Domineck, Charlie Troglen, and Jym McMurdo for laying out sports and various other sections.

Ms. Hicks, Ms. Jackson, and Mr. Lowery for providing pictures of sports.

Our computer expert, David Kim.

The 5th Period Honors English 12 Class for working on the last-minute sections.

Sean Kelly for keeping Mr. Lowery on the edge the whole time.

Christina Germanero, our number one yearbook salesperson.

Mrs. Arms, Janet Chwalibog, Dana Hendrix, Katherine Youn, Fancy Getz, Heather Frazier, Kate Donnelly, Kip Martin, and Charles Matheny for identifying the 7th and 8th graders.

Most of all, our appreciation and admiration go to Mr. Lowery, the impetus and mentor of the yearbook and senior class.
